

GVFD'S FIRE CORPS RECRUITING AND INFORMATION MESSAGE

The Green Valley Fire District's Fire Corps is an organized group of men and women who volunteer their time in a number of ways to assist the fire district in both its Field and Administration Operations.

Fire Corps' Field Operation duties include removing desert pests, servicing residential smoke detectors, installing residential lock boxes, placing street markers for fire hydrants, conducting home safety checks, and many additional duties as assigned.

Fire Corps' Administration tasks include answering citizen phone calls, completing a wide variety of clerical routines, and assisting with other typical office duties at the District's Headquarters.

The Fire Corps is a great way of serving your community and they are always looking for new members. Fairways property owners Chuck Hill (829-7693) and Carol Kay (625-90140) are currently members and can help with any questions you may have. Or feel free to contact Fire Corps officers Brandon Armstrong at 207-9563 or Harry Smith at 232-3738.

Thanks for your consideration.
